# QUICKSTART

## ALLROUND Finder 2.0

1. Register your FINDER and follow the instructions at:

2. Switch on the FINDER so that it can connect to the FINDER portal. To do this, slide the switch upwards. The LED signals show you the current status of the GPS tracker:

### Orange LED – GSM status

Signal	Meaning
The LED is fixed	GSM signal is available.
The LED is flashing	No GSM signal available, the FINDER is searching for a signal.

### Blue LED – GPS status

Signal	Meaning
The LED is fixed	GPS signal is available.
The LED is flashing	No GPS signal available, the FINDER is searching for a signal.

3. Download our app:

ONLINE FINDER PORTAL APP BY PAJ  
(available in App Store or Google Play Store)

4. Start tracking and protect what you love!
