# QUICKSTART

## MOTORCYCLE Finder

1. Register your FINDER and follow the instructions at:

2. Turn the FINDER on by connecting it to your vehicle's battery in order for it to connect to the FINDER-portal. The LED lights will indicate the state of your GPS tracker:

### Green LED – GPRS status

Signal	Meaning
The LED is switched off	The FINDER is in standby mode.
The LED is flashing	GPRS signal is available.

### Blue LED – GPS status

Signal	Meaning
The LED is fixed	No GPS signal available, the FINDER is looking for a signal.
The LED flashes every 2-3 seconds	GPS signal is available.

3. Download our app:

ONLINE FINDER PORTAL APP BY PAJ  
(available in App Store or Google Play Store)

4. Start tracking and protect what you love!
