# QUICKSTART

## POWER Finder

1. Register your FINDER and follow the instructions at:

2. Turn the FINDER in order for it to connect to the FINDER-portal. To do this:

1. Open the rubber cover (please do NOT remove or replace the SIM card!)
2. Move the slide control to "on".

The LED lights will indicate the state of your GPS tracker:

### Green LED – GPRS status

Signal	Meaning
The LED is switched off	The FINDER is in standby mode.
The LED flashes every 2-3 seconds	GPRS signal is available.

### Blue LED – GPS status

Signal	Meaning
The LED is fixed	No GPS signal available, the FINDER is looking for a signal.
The LED flashes every 2-3 seconds	GPS signal is available.

3. Download our app:

ONLINE FINDER PORTAL APP BY PAJ  
(available in App Store or Google Play Store)

4. Start tracking and protect what you love!
