QUICKSTART

VEHICLE Finder 4G 1.0

1. Sign up your FINDER and follow the instructions at:

2. Turn the FINDER on by connecting it to the vehicle power supply in order for it to connect to the FINDER-Portal. The LED lights will indicate the state of the GPS tracker:

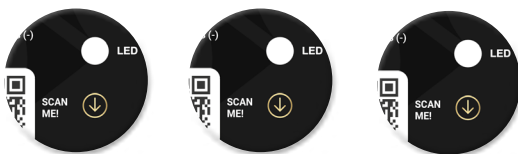

The red LED is fixed:
GPS and data connection is available.

The red LED is flashing:
Establishing data connection and searching for GPS signal.

The red LED is off:
The FINDER is in standby-mode or rather switched off when not connected to the power supply.

3. Download our app:

ONLINE V2 FINDER PORTAL APP BY PAJ
(available in App Store or Google Play Store)

4. Start tracking and protect what you love!
